Our teams are committed to embodying our core values and improving the health of all those we serve. We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. ## 2023 Community Benefits

**Added 63 independent providers**

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in anesthesiology, internal and emergency medicine, endocrinology, family medicine, urology and more.

**Made more than \$1.6 million in capital improvements**

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included the Stryker orthopedic system, replacement Baxter pumps, endocrinology and surgical scope replacements, and a sterilizer for surgical equipment.

**Distributed a payroll of \$22,782,295 to approximately 250 employees**

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.
